

If you were near Bloomington Illinois between April 12-14, 2023, you would have felt so much POSITIVITY at the 88<sup>th</sup> Annual ISSRT Conference. The attendance was great, the venue was outstanding, and the program was near perfect.

On behalf of the ISSRT Annual Conference Committee and the ISSRT Board of Directors we say thanks for all that was given and shared with us during those three days. To the speakers, thanks for sharing your knowledge with us. To the vendors, thanks for displaying what your organization or business can provide for us. To the Bloomington DoubleTree staff, thanks for making everything run so smoothly. And, finally to all those in the background. Your hard work and dedication was showcased at the conference. Each of us played a part in “radiating positivity” and having a great time doing it. Thanks again....

Hope to see you all again in 2024 at the 89<sup>th</sup> Annual ISSRT Conference. Stay tuned for dates and time. Have a great summer, be safe and let the positivity radiate for all the world to see.
