

## ***Welcome to National Radiologic Technology Week***

Happy National Radiologic Technology Week. This is always a fun week celebrating our profession. However, you celebrate it, make it a fun week for you and your colleagues. The I.S.S.R.T. 's National Radiologic Technology Week committee has been very busy to see that we as a Society provide you with a fun week. As you look at the daily activities, I am sure you will find many opportunities to have some fun, meet new friends, and get one continuing education point. Enjoy your week and have fun along the way. If you are not yet a member, please consider joining YOUR Society. Have a great week!

Pat

I.S.S.R.T. President
